

# You've Been Flocked!

Don't despair! This Flamingo Flocking is a fundraiser  
for Striving for More!

A friend of yours has made a donation to our organization. In exchange, we have placed these flamingos in your yard. This flocking has been done in good fun, so please don't hurt our pink feathered friends.

These flamingos will roost on your lawn for 48 hours and then they will mysteriously migrate to another lawn.

We would love for you to contact us!  
Go to [www.striving4more.org/flock](http://www.striving4more.org/flock) or  
call the Flamingo Line at 919-886-4386

- If you have a fun loving friend that you would like to flock, we would love for you to participate in our fundraiser too!
- Tell the world you've been flocked! Post a note (and hopefully a picture too) on our Facebook fan page ([www.facebook.com/strivingformore](http://www.facebook.com/strivingformore)).
- Wonder who "flocked" you? We will be happy to tell you for a small donation of \$10.00.

Thank you for your sense of humor and your support in helping Triangle children with cancer and their families.

Striving for More is a non-profit organization dedicated to ensuring that children with cancer and their families receive quality emotional and spiritual support.

**Please note:** While it may be tempting to hold onto a flamingo as a keepsake of this fun activity, the flock needs to remain together so they can continue helping kids with cancer.
